

Your top-rated partner for your **Asian Business**

MODERN TIMES located in Singapore is the expert for starting,
enlarging and leading your Asian business affairs

UEN 201543875D

Once you have decided to enter into Asia we are available to assist you in realizing your plans, i.e. being your local Representative and opening, expanding and managing your local presence. We provide business consultancy & coaching and arrange all services for you successful business locally. Our flexible business approach will avoid massive and risky startup investments and allow your resources to gradually grow in line with your actual business. We'll provide the one-shop-stop for all your local needs (also in regards Asia to Europe and inter-Asia business). Following agreed plans, you are always in control over your Asian business setup. Our standard business packages are as follows (custom-taylorred packages available aligned to your needs):

FOUNDING YOUR LOCAL COMPANY

PROVISION OF CORPORATE BASIC SERVICES

REPRESENTATION OF YOUR BUSINESS IN THE REGION

PERSONNEL SEARCH & HOSTING YOUR STAFF

MANAGING YOUR ENTITY

PROVISION OF COMPLEMENTARY SERVICES

as well as

CRISIS MANAGEMENT & RESTRUCTURING

Business practices: IT & Telecoms, Energy, Infrastructure, Industry and R&D (Software Research & Development)

Your definite cost advantages of working with us in Asia:

-optimized management and staff costs

(with on-the-job training for your staff regarding local Asian culture and leadership aspects)

-optimized infrastructure costs

(we simply arrange the most cost effective offices and other properties)

-flexible business approach

(migrate your local business exposure flexibly with us, in line with your requirements)
